

**Training Course for Animal Control Professionals  
Hosted by the Town of East Hampton  
October 4, 2019 - East Hampton, New York**

**October 4, 2019 – 8:00 AM to 5:00 PM**

**Safe Handling of Aggressive and Dangerous Dogs** – Potentially dangerous and vicious dogs have become a serious and widespread threat to the safety and welfare of citizens and to domestic animals as well. Many of these attacks by dogs have resulted in persons being seriously injured and in some cases causing human fatalities. When responding to in-progress calls or conducting follow up investigations of dangerous and vicious dog activity, proper training and education is paramount for the Animal Control Officer. ACTS has developed a course specifically for ACO's relating to the safe response, handling and capture of dangerous and vicious dogs. Participants will gain a working knowledge of dog breed history and aggression, stimulus response/critical distance, behavior drives/instincts, dog characteristics/body language, safety equipment/handling considerations.

**Safe Animal Handling/Capture & Restraint Equipment** – Every day is a different day for an ACO. One of the most unique aspects of the ACO position is that of working with the wide variety of animal species and situations. Safe animal capture and handling is extremely important in order to protect the safety of the officer, the public and the animal. This block of instruction covers the skills and equipment that are necessary when dealing with domestic animals, wildlife, exotics and livestock. This practical course focuses on the animal species commonly handled by ACO's, injury prevention, dangers and risks, capture and restraint methods, equipment, safe loading and transportation.

**Class Location**

Town of East Hampton Town Hall, 159 Pantigo Road, East Hampton, New York 11937. Need directions? Please call 631-324-3858.
