The above-described animal identified as belonging to you, and/or in your custody, has been exposed to, or is suspected of having rabies.

- City Code 5-4-2F requires that upon the order of the Sandpoint Police Department, any animal suspected of being rabid shall be isolated in strict confinement under the proper care and observation of a licensed veterinarian in a veterinary hospital, animal shelter or other facility approved by the Sandpoint Police Department. Such animal shall not be killed or released for at least ten (10) days, for dogs and cats, fourteen (14) days for all other animals, after onset of symptoms, unless permission is obtained from the Sandpoint Police Department to euthanize the animal for the purpose of laboratory examination.

- City Code 5-4-2G(1) requires that any animal, excluding dogs and cats, of a species subject to rabies, whether currently vaccinated or not, shall be isolated in strict confinement for at least fourteen (14) days after the date of the bite or exposure.
- City Code 5-4-2G(2) requires that dogs and cats shall be isolated and observed for a period of at least 10 days after a bite has occurred.
- City Code 5-4-2G(3) requires any owner, harborer, keeper, possessor or custodian of any animal which has bitten or otherwise exposed any person to surrender the animal for confinement to the appropriate animal shelter, or a licensed veterinarian or other place approved by the Sandpoint Police Department for a minimum of ten (10) days.

Your animal will be quarantined, at your expense, at the Panhandle Animal Shelter, 1604 Great Northern Road, Sandpoint. 265-7297. At the end of the ten (10) day period (dogs and cats) or fourteen (14) day period (all other animals), the animal must be examined and certified rabies free by a licensed veterinarian, at your expense.

At the discretion of the Sandpoint Police Department, your animal may be quarantined at your residence if you can meet the following requirements:

- Must provide proof of current rabies vaccination.
- Must be securely confined and kept from contact with other animals or people, for at least ten (10) days (dogs and cats), fourteen (14) days (all other animals) and/or until released by the Sandpoint Police Department.
- Must be examined and certified rabies free by a licensed veterinarian, with proof in writing provided to the Sandpoint Police Department, after ten (10) day period (dogs and cats) or fourteen (14) day period (all other animals).
- If found in violation of the quarantine conditions, your animal will be subject to impoundment for the duration of the time period at your expense.
- If your animal becomes ill or dies during the ten (10) day quarantine period (dogs and cats) or fourteen (14) day period (all other animals), notify the Sandpoint Police Department (Animal Control) immediately at 263-3188.

At the discretion of the Sandpoint Police Department, your animal may be quarantined at the veterinary hospital of your choosing at your expense. The hospital that you request to quarantine your animal is ______________________, located at ______________________.
